No. C 13 Dated 9.10.1930 Received 13.10.30

Diary No. 1825	[illegible]ds.	Spare copies	Serial No. 1

BRIEF ABSTRACT OF LETTER.

[illegible] proposals for the formation of three branches of C.I.D, each under the control of an A.S.P, in place of the two branches at present

NOTES AND ORDERS.

The proposition statement forwarded by the I.G.P is not verified by the Comptroller as required by the Rules. Besides the Govt has not taken into account the staff recently sanctioned for the political C.I.D in the G.O. dated 17.9.1930

NOTES—First Sheet.

A draft returning the proposition statement to the D. G. P. for necessary action is enclosed.

3 What the DG's office has proposed is a modification of the proposals of his predecessor sanctioned, with slight alteration about the allowances, in the GO of 17.9.1930. As the modifications now proposed are few and are clear in their financial effect, it is doubtful if a fresh proposition statement is necessary. The increases and decreases previously proposed and those proposed now will be clear from a comparison of the Proposition statements previously sent & the one now sent.

4 The modifications now proposed are:—

(i) To have one more ASP for the C.I.D., making three in all (Rly C.I.D.; C.I.D. (crime); Political C.I.D.)

(ii) To do away with the place of Inspector on Rs 150–25,

(iii) To give increased allowances only to the Insp & Sub Inspector of the Political C.I.D.: and

(iv) To continue Mr H.V. Krishna Rao as Temporary ASP doing duty in the Political C.I.D. as best fitted for the place, & to place him above Mr. D. Seshagiri Rao, being the senior of the two officers

5 It is stated that the modifications proposed result in a saving of Rs 440 per annum as compared with the previous proposals, and that as regards the current year there will be savings effected after

formation of 3 branches in the C.I.D.

8/ The I.G. of Police points out that in appointing Mr.D.Seshagiri Rao as A.S.P. Political C.I.D. the claims of Mr.M.V.Krishna Rao who is senior to him have been overlooked by Government.

9 Reference is invited to the D.O.letter dated 17th August 1930 from the I.G.P.Mr.Hiriannaiya and the orders of the Government thereon.

"On further consideration I think the revised proposals re. Mr.M.V.Krishna Rao need not be taken up now and orders may issue based on the final note 21st July 1930 approved by H.H."

M + H.

10 The I.G.P. does not therefore appear to be correct in stating that Mr.Krishna Rao's claims were overlooked by Government.

I agree. D.M. 26/11/31

11 The I.G.P. proposes that (1) Mr.M.V.Krishna Rao may continue as temporary A.S.P. Political C.I.D. being at the same in touch with the Mysore Railway employees' activities, and (II) Mr. D.Seshagiri Rao may continue in charge of the Criminal Investigation work including Criminal Tribes and special enquiries which he has on hand.

12 The C.I.D. Staff which was sanctioned for the first time 1909-10 was made permanent in 1913 & i was placed under the control of the Assistant to the I.G.of Police who was given for this purpose a duty allowance of Rs.75/- per mensem. Later on the C.I.D. was combined with the Railways and both the branches were placed under the control of an

NOTE—Contn. Sheet

WD 02553—50,000—GPB—8-7-30

Asst.Supdt. of Police. In addition to the existing C.I.D. staff of two Inspectors, one sub Inspector and 4 Constables a staff of one Inspector, one sub Inspector and 4 constables under the control of another A.S.P. was sanctioned for the political C.I.D. work H.G.O. dated 17th September 1930, at an extra cost of Rs. 6,652/-, for a period of 3 years from 1st July 1930.

13 The effect of the present proposal of the I.G.P. is to bifurcate Railways & C.I.D. into Railways and C.I.D. and place each of these two branches under the control of a separate Assistant Superintendent of Police. and virtually means the appointment of an additional A.S.P. to the permanent cadre of A.S.P.'s. involving an extra cost of about Rs. 2000 average cost, per annum.

14 In case this proposal is to be sanctioned the following points are submitted for consideration.

(a) whether the I.G.P. has pointed out that there is absolute necessity for this bifurcation;

(b) whether there will be sufficient work for the A.S.P. for Railways only, after the C.I.D. is separated from the Railways.

(c) how the existing clerical staff attached to the Railways and C.I.D. should be apportioned among the Railways, C.I.D. and Political C.I.D.

(d) what should become of the Finger print Beaureau which is now attached to the Railways and C.I.D.

(e) what should also become of the existing staff

P.

The proposal in report means separation of Railways and C.I.D. and virtually means the appointment of an additional A.S.P. to the permanent cadre of A.S.P.'s.

* This figure does not take account of the reductions proposed by the I.G.P. via Gen Inspector on Rs 150+75,

para (ii)

Evidently it is to become part of the C.I.D (proper) as distinct from Political C.I.D.

Serial No.

of two Inspectors (one of whom on Rs.150 is proposed to be retrenched); one Sub Inspector and 4 constables attached to the A.S.P. Railways and C.I.D.

15 whether the above staff is proposed to be attached to the C.I.D. proper, the I.G.P has not mentioned clearly.

16 The Inspector General of Police has stated that financially the above proposal does not involve Government in any extra expenditure as he proposes to do away with one C.I.D. Inspector.

but as per details noted below the proposal involves an extra expenditure of not less than Rs.3,840 or not more than Rs. 4,368/- per annum excluding extra duty allowances.

17 The staff proposed by the I.G.P. for the Political C.I.D. is practically the same as the one sanctioned by Government in their order dated 17th September 1929 from 1st July 1930 and the full cost of Rs. 6,652 will have to be incurred during the current year, on this account, as this staff is already there from 1.7.30.

18 The I.G.P. has also proposed a staff consisting of one A.S.P. on Rs.200-10-250, one Inspector on Rs. 105/- plus 25, one Sub Inspector on Rs.55 plus 20 and 4 constables on Rs.11 plus 5 each per mensem this means an extra expenditure of Rs. 411 per mensem or Rs. 3848 for period of 8 months for the current year as the proposal is to take effect from 1st October 1930 as mentioned by the I.G.P.

19 The I.G.P. has not proposed any duty allowance

The Staff mentioned here is the permanent staff of the C.I.D, and this has been taken into account in the Statement sent by the Dept, and also in the allocation of the Rs between the C.I.D proper & C.I.D. Political proposed in para 6 of the Dept's letter.

This does not appear to be correct and seems to be the result of excluding from calculation the permanent staff of the C.I.D already in existence & referred to above.

The Insp^r, Sub Insp^r & the Constables are already there as pointed out above & the extra cost shown does not include these items

para (iv)

NOTE—Contn. Sheet

WD 02553—50,000—GPB—8-7 30

to the A.S.P. C.I.D. proper, whereas the A.S.P. Political C.I.D. will get Rs.50/- as duty allowance. It has also not proposed enhanced allowance of Rs. 35/- and Rs.25/- to the Inspector and Sub Inspector C.I.D. proper, unlike in the case of the Inspector and the Sub Inspector Political C.I.D. who will get enhanced allowances. In case the allowances to the C.I.D. staff proper are to be equalised with those of the staff of the political C.I.D. the extra cost would be Rs. 180/- for the Inspector and Sub Inspector and Rs.420 for the A.S.P. for 3 months during the current year. The total extra cost on this account will be Rs. 456/- during the current year.

This can be worked out only after orders are passed on the proposals of the DIG

28 Against the above expenditure of Rs. 6,652/- for Political C.I.D. and Rs.4368/- including extra duty allowance & for C.I.D. proper, i.e., a total expenditure of Rs.11020/- the following budget provisions are taken into consideration.

6652
4368
Rs 11020

(1) Rs. 5152/- C.I.D. Re-organization.

(2) Rs. 935/- For additional C.I.D.Inspector.

(3) Rs. 180/- C.I.D.Inspector's pay.

(4) Rs.2400/- C.I.D. A.S.P's pay. that is Rs.10857/- in all. The net extra cost that will be involved for the current year will be about Rs.733 including extra duty allowance.

29 The D.I.G. has not got the proposition statement correctly prepared and verified by the Comptroller as required by the rules and it is defective in the following respects,

(a) the appointment of the new A.S.P. now proposed is in addition to the existing number of A.S.Ps

Serial No.

and this is not correctly shown in the statement;

(b) the newly sanctioned staff of the Political J.I.B. is not also shown in the statement as it ought to be done.

(c) In para 6 of the letter under disposal the I.G.P. states that there will be 4 constables attached to each branch of the 3 branches with an allowance of Rs.5/- to each constable. This means that there should be 12 constables in all whereas only 8 constables are shown in the proposition statement.

(d) mention is not also made in the statement whether the cost of one Inspector on Rs.105 plus 25 and one sub Inspector on Rs.55 plus 20 shown at page 129 of the budget should be taken into consideration in calculating the extra cost involved in the present proposal.

2. It is therefore for consideration whether the statement may not be returned to the I.G.P. for rectifying the defects noticed above.

3. The I.G.P. also proposes that Mr.H.V.Krishna Rao may be placed above Mr. D.Seshagiri Rao as the former is the senior of the 2 officers. In this connection it is submitted that when Mr. Seshagiri Rao was appointed by the Government as a permanent A.S.P. (supernumerary) in January 1940 he virtually became senior to Mr.Krishna Rao and the question of the relative ranks of these 2 officers on the basis of their places in the Inspectorate does not seem to arise now. As such it is for consideration whether Mr. Krishna Rao who will be only temporary A.S.P. in case his appointment as such is sanctioned, can be placed above Mr.Seshagiri Rao who is permanent A.S.P. and who is already absorbed as A.S.P. Political J.I.B. from 1st July 1940.

This has been shown as an addition in the proposed scale. The newly sanctioned ASP of the Political Dept has been also shown in the Proposed staff, as the Dept seems to ask for a revision of the relevant order

What the Dept has proposed is to give 4 constables each of the two branches of the C.I.D, excluding the Railway; for para 6 of the letter deals only with the allocation of hands between these two branches

As pointed out on the last page this is included in the existing staff & taken into calculation in working out the extra cost.

para (ii) This does not appear to be necessary for reasons mentioned in paras 2 & 3 infra

para (vi)

NOTE—Contn. Sheet

WD 02553—50,000—GPB—8-7 50

24/ Besides there is Mr. S.Keshava Rao, First Class Inspector who is senior to Mr. A.V.Narshna Rao and the I.G.P. has not stated whether Mr. Keshava Rao should be superseded by Mr.Krishna Rao in the latter's appointment as temporary A.S.P. Information on this point may perhaps be called for.

25/ It is also for consideration whether the present proposals submitted by the Offg.I.G.P. may not be sent back to the new I.G.P. Mr. Hamilton and his opinion called for in the matter.

The recent temporary appointments of ASP in connection with the late strike in the Dy & the Ry-labour apprehended strike at Mysore, have been given in para (vii) by H.V. Krishna Rao

Dept 28/10

27 Reference is invited to the marginal notes against some of the paras noted above.

28 The extra cost involved by the DIG's proposals, as calculated in paras 16 to 18 supra, does not seem to be correct for the reasons noted against them. The following figures show the financial effect of the proposals, as compared with the existing Sanctioned Staff &:

Page 129 of Budget

29 Thus, the present proposals of the DfP cost slightly less than the proposals of Mr Shivamurga and Rs 53 p.m. more than the proposals sanctioned in the GO of 17.9.1930. The DfP seems to have got the Proposition Statt prepared on the basis of the staff that existed prior to the GO of 17.9.30, whose modification he now seeks by proposing certain alterations, and on this basis the Propn Statt seems to be alright. Strictly however the revision if any, has to be with reference to the latest sanctioned scale, which is the one ordered in the said GO. But comparing the new Scale proposed with the one sanctioned in the GO, the extra cost involved is about Rs 650 per annum, and no Proposition Statement is necessary in this case, as the extra expr is less than Rs 1200 per annum; vide Para 71 (II(a)(2)) of the Mepne Civil Account Code, Vol I, Page 47.

30 It seems therefore that there is no necessity to call for a revised Propn Statt as suggested in para 20, and that the proposals may be considered on their merits.

31. The several points for consideration are noted as in paras 14, 19, and 23 to 25 above and briefly stated they are, —

(i) Whether there is necessity for separating the CD (ordinary) from the Rly and replacing the latter with a separate Asst for each. In para 5 of his letter the Dy

PWD

NOTE—Contn. Sheet

WD 02553—50,000—GPB—8-7 30

has merely stated that this division is necessary in these days of political development &c. But no details are furnished as to the work devolving on each officer and whether it is sufficient to keep him fully engaged.

The necessity for a separate Political C.I.D. Officer has been accepted in the G.O. of 17.9.30.

(ii) Whether duty allowance, have to be sanctioned to the A.S.P., C.I.D. (Ordinary) & the Insp^r & Sub Insp^r to work under him. The D.G. has confined the allowance in his proposals only to the A.S.P. & Staff of the Political C.I.D. The higher allowance to all the Insp^rs & Sub Insp^rs has already been sanctioned in the G.O. of 17.9.30 & there is perhaps no reason to ~~refuse~~ deny the same now to some. The D.G. has not proposed any allowance to the A.S.P., C.I.D. (ordinary) and it is for consideration whether he should not also get [illegible] as in the case of the A.S.P. Political C.I.D. an allce of Rs 50 If the allowances are sanctioned, the extra cost on this account will be Rs 780 per annum.

(iii) Whether Mr H.V. Krishna Rao should be placed above Mr D. Seshagiri Rao. Reference is invited to the note in para 23 supra on this point, and also to Mr Hiriyannaiah's D.O. letter no 1522 of 17.8.30 & to paras 1 to 3 of the D.G.P. letter under disposal.

Mr (in the Ent. of) P.S.D.

(iv) Whether the proposals of the D.G.P. may not be referred to the new D.G.P. for opinion. This is for orders.

2. As funds available, please see paras 8 & 9 of the D.G.P. letter. There is also provision for 1 A.S.P. in the C.I.D. (Rs 2400) in the budget.

III The proposals of the I.G.P. are detailed hereunder;

39 I. G. P's proposals [Mr Hamilton]

(i) (a) One A.S.P. should be posted to be in charge of the Crime Branch.

(b) The additional staff proposed for the above 3 branches on the whole amounts to- One Inspector on Rs. 75 p.m. for political C.I.D., the continuance till 30th June 1931 of the temporary Inspector in the Crime Branch, 2 Sub Inspectors 1 Typist and 3 clerks 2 of whom would be Stenographers, 2 Constables and 2 attenders ~~one~~ peons.

(c) Against the increase proposed abo[illegible]ay be taken one clerk to be drawn from the office of the Railway A.S.P. as it appears possible to save one

NOTE—Contn. Sheet.

WD 04568—G PB—50,000—8-7-30

in that office.

(ii) The variations in the special allowance granted to officers in the same office must, the I.G.P. thinks, be considered illogical. At the same time he considers that a special allowance to officers selected for employment to the C.I.D. is very necessary and he suggests that the allowance to officers in the Crime Branch and the Finger Print Bureau be made equal to those in the Political Branch. On this basis he proposes the following allowances (additional):-

1.A.S.P.Crime Br. Rs. 50 P.M.

Crime Inspectors Rs. 35/- each p.m.

" Sub Inspectors Rs. 25/- each

~~" Constables Rs. 5/- p.m.~~

N.B. 1.Increased allowances proposed above are already sanctioned in the case of the existing 2 Inspectors and one Sub Inspector of the Crime Branch (Vide G.O. dated 17-9-1930)

Duty allowance to the Political C.I.D.staff has already been sanctioned.

F.P.B. Inspector Rs.35 per mensem.

" Sub Inspectors 25 p.m.

(iii) As regards Stenographers, the I.G.P. considers it very essential that shorthand reporters acquainted with Kanarese shortnand should be avilable to record speeches verbatim. Stenographers may thereforebe trained in kanarese shortnand at Vellore and they be allotted to the Political C.I.D.

(iv) The C.I.D. in its various branches proposed above may be constituted as from 1st January 1931, so that the pay and allowances of the officers to be hereafter posted to

Serial No.

to the Department as well as the increased allowances to officers already on the staff will arise only from 1st January 1931. for a period of 5 months during the current year.

(v) The additional cost involved in the above proposals over and above the Budget allotment for 1930-31 will be Rs. 1622-8-0 to be met out of the probable savings of the Department on account of the vacancies in the constabulary etc.,

(vi) These proposals may be treated as of an experimental nature to be revived at the end of the current official year.

Note on the above proposals

40 IV. As regards C.I.D. Crime Branch:- There has been no independant A.S.P. as stated by the I.G.P. for this branch which is only under the control of the A.S.P.Railways and C.I.D. This appointment if sanctioned will be an additional appointment to the cadre of A.S.P. and this involves an extra cost of Rs. 200-plus 50 per mensem or Rs. 3000 per annum.

Point (i)

41 Mr.D.Seshagiri Rao who was an Inspector C.I.D. was elevated to the rank of A.S.P. from 8-1-30 and the post of one Inspector on Rs. 150-plus 50 was kept vacant till Mr.Seshagiri Rao's absorption. The I.G.P. proposes that Mr.Seshagiri Rao may be posted as A.S.P. Crime Branch and Mr.H.V.Krishna Rao as A.S.P. Political Branch. The latter post has already been sanctioned for a period of 3 years in G.O. dated 17th September and the former post which is yet to be sanctioned is for a shorter period only. According to the G.O.

P

NOTE—Contn. Sheet.

WD 04563—GPB—80,000—8-7-35

referred to above Mr.Seshagiri Rao has already been absorbed in the additional appointment of A.S.P. Political C.I.D. from 1-7-1930 for a period of 3 years, and to repost him as A.S.P. Crime Branch for a shorter duration and to post Mr.H.V.Krisnna Rao as Acting A.S.P. to a vacancy of longer duration seems to be opposed to Financial principles.

This is a question of posting of officers to same rank places & no financial principle seems to be involved in it. Their relative ranks do not seem to be affected by the posting. dtg

This point is for consideration.

42) If Mr.H.V.Krishna Rao is to be posted as A.S.P.Political C.I.D. his appointment as such will be in supersession of the claims of Mr.S.Keshava Rao, who is Mr. Krishna Rao's senior. The I.G.P. is silent on this point. This has to be ascertained as to whether he recommends such supersession.

Reference is invited to para 24 of the note on this point. The new DGP having repeated the proposal of his predecessor it seems doubtful if an enquiry is necessary dtg

This point is for orders:

43) Mr.H.V.Krishna Rao was placed on special duty in connection with the Railway Strike Protection Scheme as A.S.P. and continued as such till 15th October 1930. Hence his posting to the C.I.D. can take effect, if sanctioned, from 18th October 1930 from which date he will be entitled to draw Rs.200 plus 50, and he cannot draw the allowance of Rs 50/- pm from 1-7-30 as proposed by the I.G.P. This means a reduction of Rs.675/- (at Rs. 250 per mensem for 2½ months) in the total extra cost of Rs.1662-8-0 mentioned by the I.G.P. Net extra cost therefore will be 1647-8-0

44) V. As regards Political C.I.D. Reference is invited to the G.O.dated 17th September 1930 sanctioning, after much consideration of the actual requirements of this Branch, an establishment costing about Rs.6652/- p.a. per a period of three years from 1-7-1930. The I.G.P. has not stated what difficulty he has experienced or likely to experience in giving effect to this order and give a fair trial also for the period for which it is sanctioned. It is therefore for consideration whether this G.O. passed in

September last, can now be modified as proposed by the I.G.P.

45) vi As regards the Finger Print Bureau:- Reference is invited to this office reply dated 8 April 1930 to the I.G.P. stating that his proposals for the reorganization of this Bureau may be deferred for the present. Whether this can now be reopened is for consideration.

46) VII. As regards the source of meeting the extra cost of Rs. 1662 as estimated by the I.G.P. or Rs: 1047-8-0 as mentioned above, he proposes that this expenditure should be debited to the savings in the pay of the Constabulary etc., But it is not possible to say whether there will be any savings at all under this head and to this extent, and the source is therefore too vague to be operated upon immediately.

47) Besides, the Inspector General of Police wants these proposals to be sanctioned as an experimental measure for 5 months from 1st January 1931 and it is for consideration whether the period is sufficient to enable him to find out the necessity or otherwise of continuing the staff afterwards.

Submitted for orders

3/12/30

48 The financial effect of the proposals is calculated by the dept to involve an extra expenditure of Rs 1622-8-0 for 5 months during the current year, and the extra cost will be much more if the pay & allce of the ASP, cmne, is taken into account.

5 2 As the Dy C's proposal is to try the new arrangement till the end of the current year, he seems to have calculated the actual extra cost for five months on the basis of the budget provision & the actual expenditure to be incurred. The extra cost is stated to be Rs 1622-8-0 for 5 months from Jan' to May 31.

5 3 This Dy does not however give an idea of the annual extra cost involved in his proposals, which has to be calculated on the average pay in the existing & the proposed scales. It may be his idea to go into the matter further, when proposing the renewal of the arrangement at the end of the year.

16/12 5 4 It is for consideration if the proposals can be sanctioned even as an experimental measure, without knowing the financial effect thereof annually for in case the proposed arrangement has to be continued permanently from next year onwards, it may be difficult to find the requisite funds if the annual extra cost, based on the calculation of averages, is found to be very great.

The present S.G.P. proposes to buy this new Scheme as an experiment for 6 months from 1st January 1931. It involves an additional expenditure of Rs. 1662-8-0 for 6 months as he wants to have the following additional hands:—

1 A.S.P. (with Rs. 50 allowance in Crime Br.)
1 Sub: Inspr.
1 Clerk
1 Typist.

5) Mr. V. Seshagiri Rao, who was promoted as A.S.P. (Supernumerary) in recognition of good work has been absorbed from 1.7.30 in this Dte: C.I.D. Br: under the G.O. of 17.9.30. He is perhaps the only officer at present in the dept who has specialised in certain lines of work & his services have been found to be very valuable in cases of such outstanding importance as the Electric Embezzlement case, the Palace embezzlement case, the Taluq Treasy embezzlement case, Sivaiah case, Rs 50000, and I do not think there is any justification to supersede him as proposed by the S.G.P (para 4) T. His case is invited to the Members' notice on this point in Dte: Lr of 1928, para 105: O

5 It appears to me that the scheme sanctioned in the G.O. of 17.9.30 has not been given a fair trial, and it is a point for orders whether it is desirable to change it within a couple of months, apart from the question of additional staff. Strictly P.

From a talk which I had with Mr. Hamilton yesterday I gathered that the more urgent questions requiring early orders were :-

1) the appointment of an addl Supt of Police, so as to make it possible to bifurcate the ~~Detection~~ C.I.D into (A) Political and (B) crime sections. (This appointment will be in place of the appt of an Inspector on Rs 150)

2) the selection of two Sheriff's posts for training at Vellore.

3) Mr Hamilton thought that if these proposals were sanctioned, there would be something like the nucleus of the organization that he has in view & that the other proposals might wait ~~wait~~ for some time.

4) He did not contemplate the suppression of Mr D: Seshagiri Rao.

5) Please calculate extra cost if the two proposals mentioned above sanctioned for the present and whether the same could be within the limits of current year's budget provision.

Final Note by the Second Member of Council.

Subject :—

Proposals of the Inspector General of Police for the reorganisation of the Criminal Intelligence Department.

In Government Order No.P.1657-66/Pol. 140-28-11 dated 17th September 1930 the proposals of the Inspector General of Police, Mr. Hiriannaiya, for the formation of a Political Intelligence Section of the Criminal Intelligence Department with a view to keep in close touch with the political movements and tendencies of the present day, were sanctioned for a period of three years from 1st July 1930, at an extra cost of Rs.6,652/- per annum. The staff sanctioned for the new section included one Assistant Superintendent of Police with an allowance of Rs. 50/-, one Inspector on Rs. 75+35, one Sub Inspector on Rs.65+25, and four Constables on Rs.14+5 each, and it was ordered that Mr.D.Seshagiri Rao who was Assistant Superintendent of Police (Supernumerary) should be absorbed in the new appointment sanctioned.

With reference to the said Government Order Mr. Taj Peeran, Offg. Inspector General of Police, in his letter No.C.1531 dated 9th October 1930, submitted for the sanction of Government revised proposals suggesting the division of the work of the Criminal Intelligence Department, into 3 branches - Criminal Intelligence and Railways, Political Intelligence and Criminal Investigation - each under an Assistant Superintendent of Police, and stated that such a division was necessary " in these days of rapid development in the political field by political agitators, in the field of criminal activities by the professional criminals and the wide sphere of attention which the Railway Police Staff have to give". For this purpose he proposed the appointment of an additional

Assistant Superintendent of Police and a redistribution of the staff between the Criminal Intelligence Department (Crime) and Political Criminal Intelligence Department. He also suggested the continuance of Mr. H.V.Krishna Rao as temporary Assistant Superintendent of Police in the additional post of Assistant Superintendent of Police proposed, and also the abolition of the post of an Inspector on Rs.150/- to keep down the cost of his proposals.

Mr. Hamilton having joined his appointment as Inspector General of Police when the revised proposals of Mr. Taj Peeran were under consideration, his opinion was invited on the proposals. After investigating the requirements of the Criminal Intelligence Department he submitted comprehensive proposals calculated to ensure the proper distribution and efficient discharge of the functions of the Criminal Intelligence Department as a whole, and recommended sanction to the following: -

(i) The addition of one Assistant Superintendent of Police, one Sub Inspector, one clerk and one Typist to the existing staff of the Crime Branch.

(ii) The addition of one Sub Inspector to the Finger Print Bureau.

(iii) Fixing the scale of establishment of the Political Branch at one Assistant Superintendent of Police, one Inspector, two Steno-typists, two Constables and two peons and the training of the steno-typists in Kannada at Vellore.

(iv) Equalisation of allowances of the Officers of the Crime Branch and the Finger Print Bureau with those in the Political Branch, adopting the scale of allowances sanctioned for the latter viz. Rs.50 for Assistant Superintendents of Police, 35 for Inspectors, 25 for Sub Inspectors, and 5 for Constables.

The Inspector General of Police stated that these proposals might be sanctioned, on an experimental basis, from 1st January 1931 till the end of the current year, the extra cost for 5 months during the year, over and above the budget allotment, being met out of the probable savings of the Department.

In view of the existing financial condition and the heavy extra cost involved by the above proposals, the Inspector General of Police was informally consulted by the Chief Secretary to find out which of the above proposals were urgent, and it was ascertain-ed that the following ~~questions~~ matters were urgent and required early orders: -

(i) The appointment of an additional Assistant Superintendent of Police so as to bifurcate the Criminal Intelligence Department into (A) Political (B) Crime Sections. (This appointment to be in place of the post of an Inspector on Rs.150/-).

(ii) The selection of two Steno-typists for training at Vellore.

The Inspector General of Police thought that if these proposals were sanctioned, there would be something like the nucleus of the organisation that he has in view and that the other proposals might wait for some time.

It is accordingly proposed to sanction, for the present, the continuance of Mr. H.V.Krishna Rao as a temporary Assistant Superintendent of Police from 16th October 1930 to 30th June 1931, keeping the post of an Inspector on Rs. 150/- in abeyance, and the appointment of two Steno-typists on Rs.50-5-75 till the end of the year and their training at Vellore. The extra cost on this account will be within the limits of the current year's budget provision.

a 3825 These proposals have been agreed to by the Dewan and the Third Member of Council, and the draft Government Order embodying the same may be graciously approved.

ENCS. Two

Dated, Bangalore, the 3rd October 193 0.

FROM A.K.SYED TAJ PEERAN, Esq., B.A.,
offg. INSPECTOR-GENERAL OF POLICE IN MYSORE,
BANGALORE.

TO

P. MAHADEVAYYA, Esq., B.A., B.L.,
Legal Remembrancer & Secretary to Government,
Law Department.

SIR,

With reference to Government Order No.1657-66/Pol. 140-28-11 dated the 17th September 1930, sanctioning the formation of a separate Political Intelligence Section of the C.I.D. and appointing Mr. D.Seshagiri Rao as Assistant Superintendent of Police of the Section, I have the honor to state in this connection that the claims of Mr. H.V.Krishna Rao B.A., LL.B., who is senior to Mr. D.Seshagiri Rao, B.A., in all respects have been overlooked. Mr. Krishna Rao has been an Inspector from 25-8-1904, while Mr. Seshagiri Rao has been so from 18-3-1909. Mr. Krishna Rao has been a fairly successful Police Officer in all branches of Police work and as Assistant Superintendent of Police for the last nearly two years, his work has been exceptionally good, especially on the Kolar Gold Fields during the labour strike as Special Duty Assistant Superintendent of Police and ever since then he has been employed as Assistant Superintendent of Police in connection with the apprehended trouble with the Railway employees. He is intelligent, painstaking and a capable and an all round Police Officer.

2. Mr. D.Seshagiri Rao is an equally excellent officer, but his line of work is more or less specialised in the ordinary work of the C.I.D. connected with the criminal tribes and investigation of offences connected with accounts and forged currency notes.— He is a good Prosecuting Officer of these classes of cases. He has now on hand a number of currency note cases and he has been organising the work connected with Criminal Tribes.

3. Mr. Krishna Rao has been entrusted by me with the Political Intelligence work since I took charge of the Department this time and he has been attending to this work along with the Railway Employees' activities which he has been carefully and intelligently watching.

He

He has been in very close touch with what is going on amongst the Mysore Railway Employees. His appointment as temporary Assistant Superintendent of Police on this work will cease from 15-10-1930.

4. I propose that Mr. H.V.Krishna Rao may continue as temporary Assistant (a) Superintendent of Police doing duty in the Political branch of the C.I.D. being at the same time in touch with the Mysore Railway Employees activities and that Mr. D.Seshagiri Rao continue in-charge of the Criminal Investigation work including Criminal Tribes and special enquiries which he has on hand.

5. Mr. S.Raja Rao, Assistant Superintendent of Police, C.I.D. and Railways (b) will be in charge of the Railways and coordinate with Messrs. H.V.Krishna Rao and D.Seshagiri Rao as regards Political Intelligence and Criminal Investigation - branches of work entrusted respectively to the two latter officers. This division of work in the 3 important branches of Police Administration each under one - Assistant Superintendent of Police is necessary in these days of rapid developments in the Political field by Political Agitators, in the field of criminal activities by the professional criminals and in the wide sphere of attention which the Railway Police staff have to give.

6. Financially this does not involve Government in extra expenditure, as (c) I propose to do away with one C.I.D. Inspector on Rs. 150 / 25, the distribution of the staff being as follows:-

Criminal Investigation Department

1 Assistant Superintendent of Police(Rs.200-10-250) 1 Inspector (Rs.105-/ 25)

1 Sub Inspector (Rs. 55 / 20)

Political C. I. D.

1 Assistant Superintendent of Police(Rs.200-10-250 / Rs. 50)

1 Inspector (Rs. 75 / 25) &

1 Sub Inspector (Rs. 65 / 25)

In addition to the above there will be 4 constables attached to each branch with an allowance of Rs. 5/- to each constable.

7. A proposition statement is enclosed showing the allocation of the staff as proposed above with the financial effect involved therein.

8. During the present year, this arrangement will come into effect from 1-10-1930 and allotments available to meet this expenditure are :-

(1) Rs. 5,152/- provided for re-organisation under '20 Police 2 Criminal Investigation Department - Page 129.

(2) Rs. 935/- provided for an additional C.I.D. Inspector for 9 months and 11 days subtracting therefrom pay of the additional Inspector at Rs. 75 / 25 for July, August and September 1930 - Vide '20 Police - 2 Criminal - Investigation Department.

(3) C.I.D. Inspectors pay at Rs. 150 / 25 provided in the budget under '20 Police 2 Criminal Investigation Department.

9. This proposal results in savings as regards the year 1930-31 and the efficiency in the 3 branches will be considerable as there will be 3 Gazetted Officers guiding the work of the respective branches under the direct control of the Inspector General of Police.

10. Mr. H.V.Krishna Rao may be placed above Mr. D.Seshagiri Rao being the senior of the 2 officers.

11. I request that you will be so good as to obtain the early sanction of Government to these proposals.

I have the honor to be,
Sir,
Your most obedient servant,

Inspector General of Police.

OFFICE OF THE INSPECTOR-GENERAL OF POLICE
IN MYSORE,

Dated Bangalore, 23rd November *1930.*

From

F. A. HAMILTON, Esq., C.I.E.,
INSPECTOR-GENERAL OF POLICE IN MYSORE,
BANGALORE.

To

P. MAHADEVAYYA, Esq., B.A., B.L.,
Law Secretary to the Government of Mysore,
BANGALORE.

SIR,

With reference to your letter No.P.2548/Pol.106-30-3 dated the 6th instant calling for my opinion on the proposals for the division of work relating to the C.I.D. contained in this office letter No.C.1531 dated the 9th October 1930, I have the honour to report that I have investigated the requirements of the C.I.D. Office and have to express the following opinion thereon:--

2. The work of the C.I.D. Office is divided into 3 portions, namely, the Crime and Political Branches and the Finger Print Bureau. With each of these I shall deal in turn.

(a) The staff allotted to the Crime Branch at present consists of 1 A.S.P., 2 Inspectors (one of whom is appointed for a period of only 9 months and 11 days), 1 Sub Inspector and 4 Constables. The main branches of the work may be divided into (i) the compilation of the Mysore Police Gazette; (ii) the control of Criminal Tribes work and of Notorious Criminals; (iii) the investigation of Specialised cases (iv) the maintenance of Crime Charts and (v) the supervision of reports regarding wandering gangs. These branches, for the purposes of division of labour, may be conveniently grouped under different officers, branches Nos (i) and (ii) being placed under one Inspector and (iii) to (v) under the other. By this means the compilation of records and recording of criminals will be divided from the Investigation of Cases and those portions of police work which facilitate these investigations. Besides the two Inspectors sanctioned for the Crime Branch, there is a Sub Inspector allotted. But this

subordinate staff I do not consider sufficient to cope with the work that has to be undertaken. The compilation of the Mysore Police Gazette itself entails a vast amount of scriptory work and implies the editing of a large number of reports received from Districts. For this purpose alone, I consider that the services of a Clerk are required. The work of maintaining records of Criminal Tribes is at present in rather a chaotic state and has to be reorganised and, it is hoped, simplified; whereafter, it is expected, to keep track in this office of all registered criminal tribes members. This particular duty requires the services of a practical Police Officer and for that purpose a Sub Inspector is deemed necessary. In this group comes also the recording of the movements of Notorious Criminals which is also the duty of the Sub Inspector and the Clerk. It is proposed, that these two officers will work under the supervision of an Inspector.

Turning to the second group, by Specialised Investi-gations I mean such cases as Note Forgeries, Counterfeit coin cases and cases of which the area of investigation comprises more than one District. The Assistant Superin-tendent of Police in charge of the Department and one Inspector will undertake such investigations. Within this group also falls the duty of compiling the Crime Chart on which are noted all heinous Crimes occurring within the State, as well as the Surveillance of the movements of the wandering gangs to whom largely the perpetration of such offences may be attributed. For these latter two purposes, the services of a Sub Inspector are necessary. And, in order that the Police Gazette and the preparation of the different reports arising in these two groups may be properly prepared, the services of a typist are urgently required.

Thus the addition to the existing staff that proposed constitutes 1 Sub Inspector, 1 Clerk and one Typist, as also the continuation on duty for the whole year of the Police Inspector now sanctioned only for a period of 9 months and 11 days.

(b) The staff of the Political Branch as at present constituted under sanction of Government accorded in G.O. No. 1657-66/Pol.140-28-11 dated 17th September, 1930, is composed of 1 A.S.P., 1 Inspector, 1 Sub Inspector and 4 Constables. What work this branch will have to undertake is at present difficult to compute as this will depend largely on the continuance and spreading of Political agitation within the State. That there is likely to be a continuance of Political activities is, I consider, probable, and I think that such a staff should be constituted in the Political Branch as may deal with such a movement in all its forms. There is need, firstly, for officers to watch the political movement and deal with political offenders; also the means of recording speeches made by such offenders must be provided. The scrutiny of newspapers and pamphlets of a seditious nature is necessary and it is also proposed to prepare weekly for the information of Government as well as of Deputy Commissioners and District Superintendents of Police a Confidential Report wherein will be recorded the activities of political suspects with extracts from speeches made by them.

To deal with this variety of labour I propose that a beginning may be made with a staff of 1 A.S.P., and 1 Inspector with an addition of 2 Steno-typists with a knowledge of Canarese Shorthand. The first two officers will undertake the Executive work of the branch and the latter two when not employed on the recording of speeches can attend to the clerical work of the Office in the directions outlined above. The success of prosecutions for political offences will depend largely on the correctness of reports of speeches made by various agitators and as it is becoming a habit for such agitators to speak in their vernaculars I consider it very essential that Shorthand reporters acquainted with kanarese Shorthand should be

available to record speeches verbatim. Further, as such speeches may be made at different centres at the same time, I do not think that less than two Stenographers acquainted with Kanarese Shorthand will suffice for the purpose. Such Stenographers may be trained in Kanarese Shorthand at Vellore and allotment of two such officers to the Political Branch is recommended.

Thus instead of the staff already sanctioned by Government viz., 1 A.S.P., 1 Inspector, 1 Sub Inspector and 4 Constables I recommend the sanction of a staff consisting of 1 A.S.P., 1 Inspector, 2 Clerks, 2 Constables and 2 attenders or peons. The constables will be employed to assist the Executive Officers and the attenders will be employed in the Office.

(c) At present the staff of the Finger Print Bureau consists of 1 Inspector, 2 Sub Inspectors and 1 Clerk. The work of the Bureau is steadily increasing and has become at present as great as the staff can cope with. I have discovered one defect in the working of the Bureau and that is the failure in any way to test the finger prints received and to discover whether they relate to the persons really convicted. In order to ensure that the finger prints on record are properly recognisable and that those received in the Bureau relate to the Criminals actually convicted, the services of an additional Sub Inspector for test work are, I consider, essential. The duty of this Officer will be of visiting Jails and checking the Finger Print cards received from the Districts with the Finger Prints of Convicts. At the present moment, it has been discovered that several persons who have been undergoing imprisonment have not been convicted under Sec. 75 I.P.C. though their record justifies their being so. It is necessary to discover omissions of this type and this duty will fall within the purview of the proposed tester. One Inspector

will continue to be under training in the Finger Print Bureau till the end of the current official year.

The total additional staff proposed thus amounts to 1 Inspector on Rs.75/- p.m. for Political C.I.D., the continuance till the end of the current official year of one Inspector now sanctioned only for 9 months and 11 days, 2 Sub Inspectors, one Typist and 3 Clerks, 2 of whom would be Stenographers; 2 constables and 2 attenders or Peons. Against this suggested increase may be taken 1 Clerk who will be drawn from the Office of the Railway A.S.P., as it appears possible to save one Clerk in that Office.

3. In connection with the matter of allowances to Officers of the C.I.D., an allowance of Rs.50/- p.m. has been made in G.O. No.1657-66/Pol-140-28-11 dated 17th September 1930 to the A.S.P. Political and Rs.35/- to the Inspector and Rs.25/- to the Sub Inspector in the same Branch.

The A.S.P. Crime Branch has not, on the other hand, been granted any allowance while the two Inspectors have been allotted Rs.25/- each per mensem and the Sub Inspector in that branch Rs.20/- p.m. while the Inspector in the Finger Print Bureau has been given Rs.20/-p.m. in addition to a cycle allowance of Rs.7-8-0 p.m. The two Sub Inspectors of the Finger Print Bureau have been allowed only Rs.7-8-0p.m. each as cycle allowance, while the Constables in the Crime Branch and Political have been granted an allowance of Rs.5/- each p.m.

The variations in the special allowance granted to officers in the same office must, I think, be considered illogical. At the same time, I consider that a special allowance to officers selected for employment to the C.I.D. is very necessary and I would suggest that the allowance to officers in the Crime Branch and the Finger Print Bureau be made equal to those in the Political Branch, as it is desirable that all officers employed in the C.I.D. generally should be specially selected for employment therein and be of a trustworthy and reliable type in which confidence can be reposed. As their expenses in the City will be comparatively greater than if they were employed in Districts, I believe the grant of special

allowances is justified to cover extra house rent and extra cost of living. This will entail an additional allowance of Rs.50/- p.m. to the A.S.P. Crime, the increase of the allowances of the 2 Inspectors in the Crime Branch from Rs.25/- to Rs.35/- p.m. each and to the Sub Inspector in the Crime Branch from Rs.20/- to Rs.25/- p.m. while that of the Inspector of the Finger Print Bureau will have to be increased from Rs.20/- to Rs.35/- and the three Sub Inspectors in that Branch should be given Rs.25/- p.m. each. The constables - 4 of the Crime and 2 of Political - will get an allowance of Rs.5/- p.m. each.

4. The allowance allotted to the A.S.P. Political as from the 1st July 1930 has not actually been drawn though the officer has done the work assigned to him. This allowance should I think be paid to him from the date named.

The A.S.P. Crime should also be fully remunerated for the specialised work under consideration for the whole year. The Inspector, 2 Constables and 2 Attenders or Peons in the Political Branch have not yet been posted to the Department; so the question of pay and allowances will rise only from the date they are posted to the new Branch.

I would suggest that the C.I.D. in its various branches extended in the manner proposed above be constituted as from the 1st January 1931. This implies - if the sanction of Government is accorded - that the pay and allowances of the officers to be hereafter posted to the department as well as the increased allowances to officers already on the staff will arise only from the date suggested; and the cycle allowances of Rs.7-8-0 each p.m. hitherto drawn by the Inspector and two Sub Inspectors of the Finger Print Bureau will cease with effect kk from this same date.

5. The financial effect of the proposals is exhibited in the appended statements. Appendix "A" shows

shows (i) the amount allotted in the budget for the C.I.D. for the financial year inclusive of the cost of reorganisation; (ii) the actual cost on the basis of existing arrangements; and (iii) the cost of the reorganisation now proposed calculated for an entire year.

Since it is proposed that the reorganisation of the C.I.D. should take effect only from 1-1-1931, the extra cost has to be calculated on the basis of 5 months and not the entire year. The result is shown in Enclosure "B" from which it will be seen that the additional cost of the proposals now put forward over and above the budget allotment will be Rs.1622-8-0 which will be met out of the probable savings of the Department on account of vacancies in the Constabulary etc.

6. These proposals made may be treated as of an experimental nature to be revived at the end of the current financial year.

I hope in the process of reorganisation of the State Police, it may be possible to reduce the staff in the Inspectorate and Sub Inspectorate so that the temporary additional cost may eventually be eliminated.

7. I request that you will be so good as to obtain the very early sanction of Government to these proposals so that they may be given effect to from 1st January 1931.

I have the honour to be,
Sir,
Your most obedient servant,

INSPECTOR GENERAL OF POLICE.
